- The current needs are scoreboards for the gym and replacing the middle logo in the gym floor.

- Boys' soccer parent meeting will likely be 1/8.

Minutes:

- Lexi motioned to approve November minutes and Dottie seconded the motion.

Brett is hoping to get this done before the January meeting.

Financials:

- November ending balance was \$24,111.71.
- Dottie motioned to approve November financial report. James seconded.
- Brett asked about the possibility of doing night deposits. Alice will ask the bank what they need for a night deposit.

Membership:

- There were about 5 new members in November.

Concessions:

- Soccer is coming up and we need to get workers for the soccer tournament. In January, we will have both basketball and soccer games going so we will need lots of volunteers.
- Dottie will email the soccer coaches to make sure to tell us when their parent meetings will be.

Merchandise:

- Merchandise will be sold at all home Friday basketball games.
- Brett has ordered stadium chairs and brought the invoice for Alice.
- Silver Image can do a banner also for \$60. Brett will see if there is a discount for multiple banners and send an email.

Roundtable:

- We discussed coordinating more with other booster clubs and improving communication.
- Kim will send dates when cheer and dance are leaving for competitions so Lobo Club can maybe do a send off. (Cheer leaves on 1/10.)
- We discussed doing a giveaway at halftime at the basketball games.
- Lobo Nation appears to be down.
- Pinballz Kingdom will allow us to do a washer tournament there. They will give us a percentage of alcohol sales. We are thinking it would be good to do it in the spring. We will discuss logistics at the next meeting. Brett can get 40 sets of boards and washers. (rules, time slots, prizes – merchandise and gift certificates, maybe trophies)

The next meeting will be Monday, January 8th at 6:30. James motioned to adjourn the meeting and Lexi seconded. Meeting adjourned at 7:58.
